WHAT IS THE ANNUAL FUND?

As an independent school, Orangeburg Prep relies on the generosity of many supporters to supplement the cost of education to its students. Gifts to the Annual Fund support the people and programs that make our independent school so special. This means talented teachers, small classes, and exceptional offerings in everything from arts to athletics. This translates to more personal attention, increased intellectual stimulation, better discipline, and more rigor that will continue to serve our students far into the future. Gifts are necessary because, on average, tuition pays approximately 80% of educational costs. That's why we must turn to our parents, board members, faculty/staff, grandparents, alumni, and friends for financial support to give our students access to more than what tuition alone pays for.

LETTER FROM THE HEAD OF SCHOOL

Dear Friends of Orangeburg Prep,

Twenty-five years ago, the doors of Orangeburg Preparatory Schools opened as a result of two very successful schools that merged. As we began our preparations to celebrate this milestone anniversary, we became intrigued and humbled by our rich history. As many of you know, Wade Hampton Academy opened in 1965. Five years later, in 1970, Willington Academy opened. The founders, parents, and students of each institution worked extremely hard to make these schools succeed. As we walk through the same hallways of these schools, we are grateful to all who helped lay each brick and place each tile. We are working hard to preserve their hard work and efforts. As we pass the classrooms, we are grateful for each teacher who dedicated any part of their career to providing the essential knowledge and work ethic to our alumni. In the classrooms, we see new faces, but their mission is still the same: The faculty works diligently to impart crucial knowledge to students who are striving to become successful adults.

We feel gratitude for each parent, alumni, faculty, staff, Board Member, student, and administrator who helped shape and mold our Orangeburg Prep into the extremely successful school that we are. Our mission today is to advance our school academically, physically, and financially. The Annual Fund is a vital component of our mission and of our continued success. We hope that you will join us in our efforts. Thank you for your part in our history.

Sincerely,
Kelley B. Mims

ALUMNI GIVING BY CLASS

The schools we attend, whether elementary or collegiate, become part of who we are, shaping our knowledge, our character, our friendships, and our memories. For many, these schools are passed on throughout generations. We are very proud of our alumni who choose to continue to support the generations that follow in their footsteps. If you are an alumni of Wade Hampton Academy, of Willington Academy, or of Orangeburg Prep and you are not listed below, please consider including us in your future charitable giving.

GIVING BACK

Community service and giving back is a big part of student life at Orangeburg Prep. Key Club, Interact, National Honor Society, and Jr. National Honor Society require their members to participate in community service projects; however, a much larger number of our students enjoy the opportunity to give back through various service projects throughout the year. Our students have supported: American Cancer Society Relay for Life, American Heart Association, Leukemia and Lymphoma Society, Salvation Army, Avon Walk for Breast Cancer, Alex's Lemonade Stand Foundation, CASA, Connie Maxwell Children's Home, Toys-for-Tots, Samaritan's Purse Shoebox Ministry, Adopt-a-Family, National Kidney Foundation Walk, Coat Closet, Blood Mobile, Water Missions International, food and clothing drives as well as hosting Fields of Faith.
