

## Guidance Announcements

March 8, 2009

1. **USC-Beaufort will hold its Spring Campus Day** on Saturday, March 20, from 9am-1:30pm. For reservations, call 843-208-8000 or visit [www.uscb.edu/campusday](http://www.uscb.edu/campusday). See flyer on bulletin board next to Guidance for more details.
2. **Clemson** has recently announced that it will offer a **new Environmental Engineering undergraduate degree**. CU already offers masters and doctoral programs in this area. Along with this new bachelors of science degree will be the opp to participate in a five-year BS/MS degree program. If students are interested in the environmental area, there should be many career options available in the future since the **new world trend is to "go green"!**
3. **Santee National Wildlife Refuge** in Summerton is hosting a **Youth Conservation Corps program this summer** from mid-June through mid-August. This will be **eight weeks of employment at 40 hours per week for those between 15 and 18 years** of age. These jobs may include such work as bird banding, blue bird box monitoring, construction/maintenance projects, and visitor info through the refuge's Visitor Center. More info and applications may be picked up in Guidance; **DEADLINE for RECEIVING APPS is Monday, March 15!**
4. Converse College has sent info on its **Young Writers Summer Workshop**, which will be held from **June 20-25**. This opp is for **rising 10<sup>th</sup>, 11<sup>th</sup>, & 12<sup>th</sup> graders** and costs \$775 (\$675 for apps received by March 31) for the week. This would be a super learning experience for those students whose interests lie in this subject area. For more specific info and a downloadable app go to [www.converse.edu/summerworkshops](http://www.converse.edu/summerworkshops).
5. If you would be **interested your daughter being nominated to participate in the Columbia College Leadership 2010 program**, please **contact Mrs. Craft no later than Friday, March 12**. *Emerging Leaders* (July 11-15) is open to **rising 9<sup>th</sup> graders** and *LEAD 2010* (June 20-26) is for **rising sophomores and juniors**. For additional info on these programs you may call Mrs. Craft at 534-7970 or visit the website, [www.columbiasc.edu/leadership\\_inst](http://www.columbiasc.edu/leadership_inst).
