

Freshmen Guidance Announcements
February 9, 2010

1.If you are thinking about **possibly majoring in Engineering or Science in college**, Clemson has sent a very **useful question-and-answer guide** to our guidance department. It includes **lots of tips on how to decide WHICH engineering or science fields to pursue**, according to your interests. Come by Guidance and peruse the booklet!

2.**Are you interested in bigtime sailing?** The Spirit Ocean Adventure offers annual summer **sailing adventures aboard the *Spirit of Carolina!*** Students who are between the ages of 15 and 18 are able to apply. Those students who are not in the above age category but ARE either a rising 9th grader or a recent high school graduate (this summer) are eligible for an age waiver. Applicants may choose between a 10-day (\$3200) or an 18-day (\$2000) trip. Please see further details and/or register online at spiritoceanadventure.com. A brochure can be obtained in Guidance, also.

3.**Wofford College encourages visits** to their campus and has many options to choose from. Please visit www.wofford.edu, go to Admissions, and then go to visit Wofford.

4.**Are you interested in broadening your academic scope this summer?** George Washington University, located in Washington, DC, offers a **Pre-College program** during two separate sessions! The *course topics include:* Biomedical Engineering, Election Politics, Crime and Justice, Photojournalism:Media in Focus, Writing the City, US Foreign Policy, Going Green: Service and Policy, Theatre:Onstage and Off, Robotics, and Women's Leadership. For further info, go to precollege.gwu.edu.
