

## Opportunity for Juniors & Seniors!!!

August 31, 2010

This is an exciting opportunity for those juniors and seniors who are possibly interested in a career in the science area!

**Francis Marion University** is now taking applications for its **8<sup>th</sup> Annual SC Physics Scholars Institute to be held November 4-6**. A group of 30 students will be selected to participate in a variety of experiments in nuclear and atomic physics, lasers, health physics, medical physics, and computational physics using upper-level physics equipment. This will be a great opp for those students who have an interest in computational physics, health or medical physics, engineering, or astronomy! *The student does NOT have to have had a physics to apply.*

This program is at **no cost to the student** except for the travel to Francis Marion, located in Florence, and back. The **deadline** for completed applications to be submitted is **September 23**. The website to apply is <http://swampfox.fmarion.edu/scpsi/apply-now>. Students will be notified by October 8<sup>th</sup>.
