

Dear Parents,

The rising fifth graders will be required to complete a Summer Reading assignment over the summer vacation. Students will have a choice of reading one of the titles below. You will need to purchase this book at our local bookstore or order it from Amazon.com.

Students will need to write a one page typed summary of the book to be handed in to their Reading teacher the first week of school.

Thank you for your help and have a great summer holiday!

A compiled list of titles is attached. Happy Reading!

Sincerely,

Fourth Grade Teachers
