

Summer Reading Activities

Entering Fourth Grade

The summer months are an excellent time to instill a love for reading in our children. By reading during the summer, children will be better prepared for the next school year. At Orangeburg Prep, we believe so strongly in the benefits for your child, we encourage everyone to participate. On the backside of this form is a suggested summer reading list for your child. Each student is asked to read six chapter books over the course of the summer. Books not on the list may be substituted. Feel free to use your own discretion to substitute from any source (home, bookstore, libraries, etc.). Please complete the form below, sign, and turn in to your child's teacher on the first day of school in August. Each child that completes this assignment will be recognized.

Our school is once again participating in the Orangeburg County Library Summer Reading Program. This would be an excellent way to complete our list and fulfill the reading assignments of the Library. Please go to the Library to sign up your child. We would love to win the banner again this year! The students that complete the Orangeburg County Library Reading Program will also be recognized.

Please help us by encouraging summertime reading!

READ! READ! READ!

Return this form to your child's new teacher in August.
