Orangeburg Preparatory Schools *2012-2013 Annual Fund • Report of Giving*

*Educating a Generation of Community Minded,
Compassionate Citizens Through...*

Dear Friends of Orangeburg Preparatory Schools,

On any given day at Orangeburg Prep, our campuses see hundreds of students displaying the thirst to learn, a desire to explore, and the curiosity to question. OPS is proud of the excellence in academics, fine arts, athletics, and community service that has been demonstrated by our students and programs. This would not be possible without the continued financial support from our donors. We appreciate the support of those listed in this Annual Report of Giving. Their generosity has helped to allow our curriculum to be distinctive and our programs to be impactful. In promoting the strengths of an Orangeburg Prep education, we have a tremendous opportunity to insure that generations of young people can be part of our family. We continue to seek resources to remain the top-

notch school we have become. How can you help? Start today by designating us as one of your top three charitable organizations. The education of your child, grandchild, neighbor, or friend requires tools and resources that need your support. As you continue through your life, we hope that you will remember Orangeburg Preparatory School and the opportunities that we have made available to so many. Thank you for helping make the OPS education an extraordinary experience.

Sincerely,

Kelley B. Mims
Head of School

Paula D. Edwards
*Annual Fund
Chairman*

The enclosed envelope may be used for your tax-deductible gifts to the 2013-2014 Annual Fund Campaign.

BOARD OF DIRECTORS

At OPS we want to stay connected with our alumni, and we want our alumni to stay connected with each other.

MAKING LIFE-LONG FRIENDS

ALUMNI GIVING

In 1987, visionary leaders, dedicated teachers, and committed families forged one strong school for the community, drawing from the best traditions of Wade Hampton Academy and Willington Academy. Whether you attended WHA, WA, or OPS, you are part of a rich tradition and an exceptional independent school. Our goal is to gather email addresses for all our alumni so that they will receive our school newsletter and other alumni information. We need your help! Please send alumni contact information to pedwards@orangeburgprep.com.

Kindergarten students collect pet food for our local SPCA.

Teachers Kim Miller and Barbara Askins participated in the Ray Tanner Home Run Race. Proceeds benefited economically and medically disadvantaged children and their families.

At OPS we place great emphasis on community service, and we enjoy seeing our students embrace helping others.
