## Summer 2018

***The Valedictorian for the Class of 2018*** is Alex-  
is Nicole Crider. She is the daughter of Corey  
and Stephanie Crider. Lexi is a Palmetto Fellows  
Scholar, a recipient of the Tommy Wannamaker  
award, president of the Foreign Language Club,  
secretary of the National Honor Society, and a  
member of the Junior Cotillion and Key Club.  
She has taken dance at Mary Jane's School of  
Dance for thirteen years. Lexi is also a member  
of Cornerstone Community Church. She will at-  
tend Presbyterian College in the fall, majoring in  
biology.

***The Salutatorian for the Class of 2018*** is  
Shrey Bipinchandra Patel. Shrey is the son of  
Mr. Bipin Patel and Mrs. Jigna Patel. He  
is a Palmetto Fellows Scholar and the Presi-  
dent of National Honor Society. Shrey was  
also named NHS member of the year this  
year by the members of NHS. He is also a  
member of the Varsity Cross Country, Wres-  
tling, and Track teams. Shrey will attend the  
University of South Carolina Honors Col-  
lege in the fall majoring in Biomedical Engi-  
neering.

South Carolina Palmettos Fellows Scholarship: "The designation of scholarship recipients on this program or in any media is preliminary, based on information provided by the high schools and students at the time of this printing, and is subject to final confirmation and approval by the eligible higher education institution and/or the South Carolina Commission on Higher Education."

The Class of 2018 (pictured left) enjoyed their senior class trip the arctic cold week of March 5th—10th. Points visited during the week were Colonial Williamsburg, U.S. Naval Academy, Baltimore, and Washington, D.C.

(Congress, U.S. Capitol, Smithsonian, Union Station, D.C. Monuments, National Cathedral, Pentagon, and Arlington Cemetery, and a performance at the Kennedy Center).

Mrs. Rosemary McGee, senior class sponsor, Mrs. Kelley Wannamaker, Coach Brooks Smith, and Mr. Evan Powell (Head of School) chaperoned the senior class.

The weather started out extremely cold and windy, but ended sunny.

## Academic Signing Day

Orangeburg Prep held its first Academic Signing Day on May 3rd in McAlister Auditorium. The student body, staff, and parents watched as Seniors signed to commit to their respective college/university. The students wore their college tshirts and the parents were invited to the table to sign with their student. A backdrop provided the senior's stats as well as all the colleges he or she were accepted to and his or her choice. What a new and exciting tradition for the whole school!

**TOMMY WANNAMAKER AWARD:** This award is the highest award any student can attain at Orangeburg Preparatory Schools, Inc. The award is given in memory of Thomas Elliot Wannamaker, Jr. who was born November 3, 1933, the son of the late Dr. and Mrs. Thomas Elliot Wannamaker and the brother of the late Lyall Wannamaker Plumb, the late Robert Boyd Wannamaker, and Dr. Braxton Bryant Wannamaker. Tommy died at the age of 31 in November of 1964. Mr. Wannamaker's profound interest and personal assistance during the early days of Wade Hampton Academy, one of our parent schools, is commemorated by the annual presentation of the award to a member of the senior class. This award is based on scholarship, service, leadership, character, and citizenship. Part of the criteria for the Tommy Wannamaker Award is one's contribution to the school.

Each year a plaque symbolizing this award is presented at graduation to a student in the senior class nominated by the faculty. This year's recipient is **Alexis Nicole Crider** (pictured right.)

The Class of 2019 was honored with a Ring Ceremony on April 20, 2018. Students, parents, and faculty also enjoyed a reception following the ceremony.

**Mr. and Mrs. Michael (Carlie) G. Nelson**

Married April 7, 2018

Santee Cooper Country Club

The couple resides in Santee.

Coach Nelson is a teacher and coach at OPS. Carlie is a teacher at Williams Memorial Elementary School.

*Congratulations!*

## Spring Convention

On March 5<sup>th</sup> and 6<sup>th</sup>, sixteen NHS and Student Council members, accompanied by Mrs. Lynn Garrick and Coach Al Hay, attended the South Carolina Independent School Student Association Spring Convention in Myrtle Beach. This was a learning experience as well as an enjoyable time including beach volleyball and a dance. Students learned how to conduct themselves in a business luncheon setting and in business meetings. They participated in the voting process as we elected the State Board Members for 2018-2019. One of our own, Mason Boney (pictured far right), ran a successful campaign for Second Vice President. He did an outstanding job, and we are extremely proud of him. Our NHS Chapter won Chapter of the Year for schools with enrollment over 350. Our students represented us well and all looked nice in their dress attire. A special thanks to Coach Hay for driving them, and to Mrs. Lynn Garrick for her timeless hours as sponsor.

# Are You Smarter Than a Fifth Grader?

On April 19, 2018, the AP United States History Classes had an epic matchup against the Fifth Grade. We played "Are you Smarter than a Fifth Grader?" History Edition. It was a fun way to review AP students in preparation for the AP Exam and to allow the Fifth Grade to showcase what they learned this year in Social Studies. The AP Students were afraid they would lose and in actuality, the fifth grade did win by a significant margin. A good time was had by all, and we look forward to doing this again next year.

**THE NATIONAL HONOR SOCIETY AND SENIOR STUDENT COUNCIL** joined together to sell ferns and geraniums. The sale was an amazing success with 535 plants being sold. The funds will be used to purchase two drinking fountains with water bottle refilling stations. The Class of 2018 will also contribute toward this purchase. These will be used by many students in the future.

Pictured left are Bill Metts (Student Body President) and Shrey Patel (National Honor Society President.)

## 2018 College Awareness Day

College Awareness Day 2017 was a great success! OP had twelve representatives from colleges and universities around the state. They included Charleston Southern, Coastal Carolina, Furman University, Clemson University, Lander University, Newberry College, Orangeburg Technical College, University of South Carolina, Erskine College, Wofford College, USC Aiken, and USC Salkehatchie. The students heard brief presentations from the representatives regarding GPA, SAT, and ACT requirements. The representatives also talked about the most popular majors, class size, and financial aid at their respective schools. Students were given an opportunity to visit each college's table to introduce themselves, ask questions, and collect college materials. The representatives did a fantastic job, and the students were very receptive and interested.

## ANNIKA GUPTA

Orangeburg Preparatory Schools Class of 2017 | USC Honors College  
Early College Career Pathway – University Transfer

When Annika Gupta started the University of South Carolina Honors College in the fall, the 17-year-old already had 44 college credits under her belt – 18 of which she earned through OCtech's Early College.

"Those Early College courses helped me become the student I am today," she said.

"Getting a head start in college-level classes definitely gave me an advantage over coming to college straight out of high school. Without OCtech's Early College courses, I would not be on my current track to complete a double major in biochemistry and molecular biology with a minor in Spanish and study abroad – all within three years."

Annika took all of her Early College courses online, which she said worked perfectly with her high school schedule. Seeing how successful her brother, Avigeet, was in earning college credits before graduating from high school only made her choice that much clearer.

"I knew if he could do it, I could do it," she said. "My instructors were so helpful. I could always email them and because I was an Early College student, they were very willing to work with me."

"You don't realize how much you're missing out on academically until you take these classes," Annika said. "You don't know how much potential you have until you do it. It's a great opportunity to get ahead and become better prepared for college."
